Re: RFAI, Americans For Limited Government Year End Report (10/01/2010 12/31/
2010)

Dear Ms. Hough,

This response is submitted by the undersigned counsel on behalf of Americans For Limited Government. Your request for additional information, dated September 22, 2011, references two items in connection with the organizations 2010 Year End Report.

(1) You note that one independent expenditure in the amount of \$14,940.83, made on October 15, 2010, and disclosed on a 24-hour report that was filed on October 16, 2010, was not subsequently included on a quarterly report.

This oversight has been corrected on an amended filing.

(2) You identify eight independent expenditures that appear on the organizations Year End Report, but which were not disclosed on 24-hour reports.

One of these independent expenditures (\$850 expended on October 21, 2011, in connection with the election of William Foster) fell below the \$1,000 reporting threshold and was therefore not required to be disclosed on a 24-hour report. This expenditure was properly reported for the first time on the Year End Report.

The remaining seven independent expenditures were all logged into FECFile and prepared for 24-hour reporting on the appropriate date. These reports were submitted, but for unknown reasons, either human error or a software problem, the reports were not successfully transmitted to the FEC.

These reports have been re-submitted to the FEC and are now successfully filed.
